MEMORANDUM FOR : Col. Matthew Baird

FROM : [REDACTED]

25X1

SUBJECT : Summer Area Program -

25X1

I tried to get [REDACTED] on the phone on the 2nd of July at about three o'clock and again at six. He called me about 7:00 P.M. I told him that we had had to cancel the program on the Far East. He asked me if this was the result of his security turn-down and I told him it had nothing to do with that. He then raised the question of his expenses and I told him to address a letter to me here, making claim for the expenses he had incurred. He will also probably claim his summer salary.

In the course of the conversation, [REDACTED] asked if [REDACTED] was also not coming. I told him the whole Far Eastern program is cancelled. I do not recall having told [REDACTED] was a participant.
